Expolinc Portable Displays

Expolinc AB is a Swedish company founded in 1986. Expolinc's business concept is to develop and market Portable Displays. Wherever and whenever people congregate, there is an opportunity to show off your company and your products. Expolinc gives you the chance to fully exploit such occasions, whether it might be at trade shows, open houses, or your showroom. Whatever the occasion, Expolinc has a display system that is perfect for giving your message the greatest amount of attention.

Opt-in Wireless is the exclusive authorized distributor for Expolinc to assist in providing text, illustrations, and designs to fit Expolinc products for Motorola Solutions. Expolinc has been ISO 9001:2008-certified since 2003.

Easy to attach and remove the images.

Folded up, the Pop Up takes up minimal space.

Safe and easy to use locking.

The magnetic bars guide the image attractively into place.

Lambda Flex is the Most Advanced Photographic Material in the Trade Show Industry

The Lambda graphics that are included in our Expolinc Pop Up booths are the highest quality large format graphics available. Lambda produces continuous-tone true photographic material with the very best detail and color – digital photographic. It is capable of printing deeper blacks and brighter whites by far than the standard 22 mil PVC graphics you will find elsewhere. For sharp, quality graphics that you put up, take down, roll up, and ship, over and over – ***Lambda is your best choice!***

- Heat laminated and scratch resistant
- Very flexible – conforms to curved surfaces
- Durable and easy to clean

The Best Artwork and Design

Your Portable Display System is like a satellite office. Here you have a chance to make new contacts, meet new prospects, reconnect with current clients, and present your products and services to a general audience. There are many factors that can translate into a successful trade show experience, and one of the most important factors is having a trade show display that invites visitors and gets noticed with a great design.
