Expolinc Portable Displays

Expolinc AB is a Swedish company founded in 1986. Expolinc's business concept is to develop and market Portable Displays. Wherever and whenever people congregate, there is an opportunity to show off your company and your products. Expolinc gives you the chance to fully exploit such occasions, whether it might be at trade shows, open houses, or your showroom. Whatever the occasion, Expolinc has a display system that is perfect for giving your message the greatest amount of attention.

Opt-in Wireless is the exclusive authorized distributor for Expolinc to assist in providing text, illustrations, and designs to fit Expolinc products for Motorola Solutions. Expolinc has been ISO 9001:2008-certified since 2003.

Duratex is the Best PVC Vinyl Material in the Trade Show Industry

The graphic materials that are included in our Expolinc Roll Up Banners are the highest quality available. Duratex 15 oz. Double-Sided is a smooth, opaque, and flexible banner with a polyester fabric embedded between two PVC vinyl layers. This water-resistant, premium product drapes with ease and delivers high opacity to block distracting back light and shadows. This product will give all images a vivid bright appearance for both indoor and short-term outdoor applications.

- 15 oz. double-sided smooth banner
- Opaque white, vivid appearance
- PVC vinyl layers, embedded polyester fabric
- Blocks back light & shadows
- 300 x 300 denier
- NFPA-701 certified for flame resistance

The Best Artwork and Design

Your Portable Display System is like a satellite office. Here you have a chance to make new contacts, meet new prospects, reconnect with current clients, and present your products and services to a general audience. There are many factors that can translate into a successful trade show experience, and one of the most important factors is having a trade show display that invites visitors and gets noticed with a great design.
