This water-resistant, premium product drapes with ease and delivers high opacity to block distracting back light and shadows. This product will give all images a vivid bright appearance for both indoor and short-term outdoor applications.

- 15 oz. double-sided smooth banner
- Opaque white, vivid appearance
- PVC vinyl layers, embedded polyester fabric
- Blocks back light & shadows
- 300 x 300 denier
- NFPA-701 certified for flame resistance

The Best Artwork and Design

Your Portable Display System is like a satellite office. Here you have a chance to make new contacts, meet new prospects, reconnect with current clients, and present your products and services to a general audience. There are many factors that can translate into a successful trade show experience, and one of the most important factors is having a trade show display that invites visitors and gets noticed with a great design.
